

STUDENT AGREEMENT 2009

The SDSU Compact Scholars Program provides support and direction to enhance academic success, student involvement, and graduation from SDSU. To ensure your success as a Compact Scholar, you need to work cooperatively with the CSP to develop your personalized education plan and make a commitment to the responsibilities outlined below:

1. Compact Scholars agree to maintain full time status and to maintain continuous enrollment at SDSU.
2. Compact Scholars agree to participate in CSP-sponsored programs and activities including University Seminar in the Fall 2009 semester.
3. Compact Scholars agree to meet with their advisors every year. These appointments are to update progress toward their degree.
4. Compact Scholars agree to inform the Director if they are participating in other programs (e.g., EOP, University Honors Program, MESA Engineering Program, etc.)
5. Compact Scholars placed on Academic Probation agree to enroll in the Bounce Back Program.
6. Compact Scholars agree on occasion to represent the SDSU Compact Scholars Program at community and campus events throughout their four years at SDSU.
7. Compact Scholars agree to annually renew their FAFSA to be considered for the Compact Scholarship. The Compact Scholarship will be awarded to eligible students with demonstrated financial need for a maximum of up to four years.
