

Jack Kent Cooke Graduate Scholarship

The mission of the Jack Kent Cooke Foundation is to help young people of exceptional promise reach their full potential through education. The Jack Kent Cooke Foundation Graduate Scholarship Program annually awards 30 scholarships to seniors and recent graduates to pursue their first graduate degree. The scholarship is open to students who have financial need and have demonstrated excellence in academics and extracurricular activities. Prospective applicants must be nominated by their institution. The maximum award per student per year of study is \$50,000 for a maximum of six years. Each award covers a portion of educational expenses and is based on the cost of attendance, the length of the graduate program, and other financial aid received by the scholar.
