

Hertz Foundation Graduate Fellowship

The Hertz Foundation's Graduate Fellowship is a merit based scholarship open to seniors and graduate students of the applied physical sciences who are willing to morally commit to make their skills available to the United States in time of national emergency. Applicants must be pursuing a Ph.D. degree in the applied physical sciences and engineering sciences. The Scholarship does not support other advanced professional degrees except for the Ph.D. portion of a joint M.D./Ph.D. study program.

Recipients have the choice of two fellowship options: *Five Year Hertz* - \$31,000/ 9-month stipend, full tuition equivalent, renewable for up to 5 years *or* *Five Year Coordinated* when recipient accepts a 3-year Fellowship from another source - \$36,000/ 9 month stipend and full tuition equivalent for 2 years plus Other Fellowship Period for up to three years - \$3,000 / year supplemental stipend from Hertz.

Foundation Deadline: November 2008
