

NOAA Ernest F. Hollings Undergraduate Scholarship Program

The National Oceanic and Atmospheric Administration (NOAA) Ernest F. Hollings scholarship program is designed to increase training in oceanic and atmospheric science and increase public understanding for the stewardship of the ocean and atmosphere by recruiting and preparing students for public service careers with the NOAA or as teachers and educators. Eligible undergraduate students are those majoring in areas related to oceanic, environmental, and atmospheric science, are U.S. citizens, and have full-time junior academic status. The scholarship provides a maximum of \$8,000 per academic year for full-time study; housing during the summer internship; and a 10-week, full-time internship position (\$650/week) during the summer at a NOAA or partner facility.

Foundation Deadline: February 8, 2008
